

WELCOME TO OUR NEW STAFF

Ashley Shoenecker, 4th Grade Teacher

Hi families! My name is Ashley Schoenecker, and I am the new 4th grade Reading, ELA, and Social Studies teacher as well as the proud Mom of two Henderson Mill Hawks! I was born and raised in Chicago and relocated to Atlanta in March of this year. I earned my degree in Early Childhood Studies and my Masters in Instructional Leadership. This will be my 14th year of teaching and I am so grateful to continue my journey at Henderson Mill. When I am not teaching or Momming, I am busy crossing things off my bucket list!

Jessica Ross, Interrelated Paraprofessional

My name is Jessica Ross, and this will be my second full year as a paraprofessional. I recently completed my certification and hope to have my own classroom next year! I live in Tucker with my husband of 10 years, and three young children ages 8, 6, & 4. I love music and I love to be silly. I am excited to join the Henderson Mill family and I look forward to the time when I can meet everyone in person!

Michelle Williams, 3rd Grade Teacher

My name is Michelle Williams, and I am from Mobile, Alabama. I completed my undergraduate degree in French and International Studies at the University of South Alabama, and my graduate degree in Early Childhood Education at Mercer University! I love to travel, try new foods, learn new languages, and read! I am so excited to be at Henderson Mill this year, and to be a part of this wonderful team of educators, students, and families.

Shawn Goodwin-Gray, Interrelated Teacher

Welcome family and students! My name is Shawn Goodwin-Gray (nickname-Shawnee). I am a native of Chicago, Illinois. This is my 19th year in Dekalb County School System. I am excited to be a part of HMES teaching K, 1st, & 3rd Grade Resource! I have a Bachelor's in Theater/Dance & Communications and Master's in Special Education. My passion is educating children, while shaping their future and dreams. A child that learns, contributes to my personal growth. During my free time, I love dancing, attending plays, writing poetry, and having dinner dates with my young adult children and husband. My favorite animal is a koala bear, yet I am intrigued by sharks. I am looking forward to an exhilarating year with you!
